CECS 100 Section 15 - Lab Assignment # 13 (5 Points)
Due Friday, November 15 at beginning of class

Total Sales:

Design a program that asks the user to enter a store's sales for each day of the week (Mon – Fri). The amounts should be stored in a list. Use a loop to calculate the total sales for the week and display the result.

Note:

Only use what has been covered in our lectures.
